Dear Chairwoman Harris and Ranking Member Bishop:

I am requesting funding for the Santiam Canyon Parks Wildfire Recovery project in fiscal year 2024. The entity to receive funding for this project is Marion County, located at 5155 Silverton Road NE, Building 1 Salem, Oregon 97305. The project is an appropriate use of taxpayer funds because it rebuilds and upgrades the campground at Bear Creek County Campground and constructs a new campground facility at Salmon Falls County Park, which were both destroyed by the 2020 wildfires.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congresswoman Lori Chavez-DeRemer
